EXPERT ENGRAVING AND WATCH REPAIRING

THIS SEASON'S COATS ARE NOTED FOR THEIR **GRACEFUL UTILITY** 

Fashion has smiled upon the new coats: She has been gracious enough to insist that cours shall be large and full, and hang from the shoulders; giving most graceful lines, and cozy warmth. She also says in the coats for general wear, my lady may have large pockets; an idea borrowed from the English soldiers, and much appresisted by all women.

to is with pardonable pride that we call your attention to what we believe to be the finest gathering of new models that it has over been the privilege of this lead ing surment store to show. Every good style is here, in full the smartest materials that are shown. And by the hundreds you will find these magnificent models,

Coats for Street Wear, Coats for Motoring, Sport Coats, Utility Coats, Evening Coats

All quite the newest of the new and the best of the best

The recent labor difficulties in the New York manufacturing industry have made it extremely difficult to secure merchandisc, and there is likely to be a shortage of desirable garments. We tall you this fact that you may take advantage of these early offerings.
